

## **Planned Giving**

You can arrange to leave a donation to Alice Housing through your estate and/or insurance designations. We recommend consultation with a financial estate planner to help implement your legacy.

Here are some ways to leave a lasting legacy:

- **Charitable Bequest:** An easy way to make a gift. Simply leave Alice Housing in your will. The gift can be a specific amount, percentage or residual.
- **Life Insurance:** By designating Alice Housing as the owner and beneficiary of a paid-up, current or new policy, you will be able to make a significant future gift without diminishing your estate.
- **Charitable Gift Annuity:** Provides both a gift to help families affected by domestic abuse and guaranteed, regular, equal payments for the rest of your life that can be 100% tax free.
- **Charitable Remainder Trust:** You irrevocably transfer ownership of a substantial asset to a trustee, but you retain the right to the income from the trust. In the end, the principal in the trust becomes your gift to help families in crisis due to family violence.
